

BUFFALOES IN LOOP LEAD BY WIN OF FRIDAY

Daniel Baker Defeated on Home Ground by the Buffs

TO McMURRY TODAY

12 to 0 Victory of Buffaloes—Home Coming Nov. 5th

The West Texas Buffaloes returned from Brownwood late Saturday afternoon, where they met and defeated the Daniel Baker Hillbillies in a real Grid Thriller Friday night to the tune of 12 to 0. This is the second time a Buffalo team has upset the Billies in the history of their football relations. The other victory scored by the Buffs was in the fall of 1929, when the Billies were turned back 7 to 0 on Buffalo field.

Monday found the Buffs looking over some McMurry plays and making a hurried preparation to meet the fighting Indians in Aotlene this afternoon. With only two days of work before leaving for the Indian reservation, the Buff mentors lost no time Monday, but went about the work with lots of snap and determination. This will be the last conference game to be played on foreign soil.

The Abilene Christian Wild Cats come to Canyon Oct. 28, for a night game, and the Sul Ross Lobos will show their wares in Canyon the afternoon of Nov. 5, as the feature attraction of the West Texas Home Coming.

A win over the Indians will give the Buffs a mighty good chance at the conference as it is generally conceded that the Buffaloes have about one touchdown advantage.

Foster and Foster Give Fire Boys an Appreciation Feed

In appreciation of the splendid work that the Firemen have performed for the benefit of the citizens of Canyon, Foster & Foster, G. G. and R. W., gave a dinner last night at the Palace Cafe to members of the volunteer fire department and a few friends. G. G. Foster acted as master of ceremony, expressing the very great appreciation of the citizens of Canyon for the very efficient work that is being performed by this organization. The department has 21 members, all young business men of Canyon, who are doing efficient services to the community. The city has provided them with the latest modern equipment, which has made most effective the work of the department.

Guests of the Firemen were R. A. Bellah, Clyde W. Warwick, Harvey Cash, W. S. Amend, E. Burroughs, and Rev. C. E. Jameson.

Short talks were made by Clyde Warwick, Geo. A. Farlow, R. A. Bellah, Clarence Thompson, E. Burroughs and Rev. Jameson.

ATTEND CONVENTION
Mr. and Mrs. Frank R. Phillips, Mrs. Dan Sanders and Mrs. Hubert O. Price, attended the Eighteenth District Convention of the American Legion and Auxiliary in Plainview Sunday.

Mrs. Phillips had charge of the District Resolutions Committee and Mrs. Price gave the report from the Palo Duro Unit.

Mrs. Cecil Newberry of Lubbock was in Canyon over the week-end visiting her children and parents. Mr. and Mrs. W. H. Woods.

Ballots for Three Counties Printed Here This Week

12,000 election ballots for three counties were printed in Canyon Monday for the general election to be held Nov. 8th. 3,000 ballots were printed for Donley county; 3,000 for Deaf Smith county; and 3,000 for Randall county.

The ballots were printed by the Warwick Printing Company, the order for Donley county coming through the Clarendon News, and the order for Deaf Smith county coming through the White Face Printing Company.

Armistice Day

Thanksgiving Day

The Annual Roll Call of the Red Cross will start Armistice Day and will close on Thanksgiving Day, according to announcement made yesterday by Mrs. W. H. Stroud, Roll Call Chairman of the Randall County Chapter of the American Red Cross.

Mrs. Stroud states that Roll Call leaders will be named in a few days and that a general meeting will be called for the purpose of selecting workers who will canvass the city.

Mrs. Stroud is very anxious that there be a liberal response to the Roll Call this year, owing to the fact that a nurse is working among the school children of the county, and there is not sufficient money on hand to pay for the full time as required for this work.

Care of Cemetery Passed to Owners of Lots by Court

Lack of funds in the cemetery fund has caused the Commissioners Court to notify the keeper of Dreamland cemetery, J. W. Hicks, that the present arrangement must be discontinued, and that the court cannot continue to pay the salary for the upkeep. However, the court will allow the Hicks family to continue to live on the county's property if owners of lots in the cemetery will pay Mr. Hicks for his work.

It is proposed that Mr. Hicks will continue working and caring for such lots as are paid for at the rate of ten cents per month, provided there are a sufficient number of lot owners interested in continuing his work.

All lot owners who will pay the 10 cents per month are asked to come to The News office and sign up, so that Mr. Hicks may know whether or not his work is to be continued.

Mother of T. C. Thompson Died at Markham Monday

Mrs. N. Thompson, mother of T. C. Thompson of this city, died Monday noon at the family home at Markham, at the age of 82 years. She had been ill for the past three months, and Mr. Thompson has been called to her bedside twice during the time. He was called there last week, knowing that death was soon to come to her. The funeral services were held at the Methodist church in Bay City Tuesday afternoon.

Mrs. Thompson was born in Denmark. Her family came to New Orleans where she was married to N. Thompson, also a native of Denmark. The young couple moved to Texas where their twelve children were born, eleven of whom survive their mother, the husband and father having died four years ago. The children are: T. C. Thompson of Canyon; Mrs. Mary Barber of Markham; Mrs. Bertha Mallard of Bay City; Martin Thompson of Houston; Henry Thompson of Rosenberg; Mrs. Clara Mason of Markham; Mrs. L. M. Ingham of Palestine; Pat Thompson of Bay City; Mrs. Edgar Gerhardt of Wichita Falls; Frank Thompson of Bay City; Mrs. Johnnie Walker of Wimer.

Herbert Ralls Is Named Manager of Lumber Business

Herbert Ralls of Amarillo has become manager of the Foxworth-Galbraith Lumber Company of this city, having moved here to take charge of the business. Mr. Ralls has been with this company for six years, and for the past two years has been in Amarillo with the company.

Mr. Ralls was a student in the College, 1916-18. He states that he is highly pleased to return to Canyon to be connected with one of the leading business firms of the city. His family lives at 2103 Sixth Ave.

Miss Clara Anderson of McLean came Saturday for a visit in the home of her sister, Mrs. Ben Pearson.

Mrs. S. L. Ingham and Mrs. T. V. Reeves left Saturday to spend a few days with Mrs. Millard Word at Endee, New Mexico.

METHODS OF BUSINESS CHANGING

Community Chest to Secure More Clothes

Red Cross Will Add to Donations Secured From Citizens

Committees from the City Federation soliciting clothes for the Community Chest will continue their work today, hoping to cover all of the town which was not reached yesterday. Mrs. H. O. Price reported that good progress was made yesterday, but it is hoped that every citizen of Canyon will be given an opportunity to make donations of clothing during the drive.

The Red Cross has shipped 700 yards of material to the City Federation, which will be made into clothing for girls. Mrs. C. M. Dowlen will supervise the distribution of the clothing when it is made.

A requisition was completed and sent to the Red Cross for 16 dozen wearing apparel, consisting of unionalls, underwear, boys' trousers, and hosiery for children. These garments will be issued by Mrs. T. C. Thompson and Mrs. Price. Only those who are shown to be in actual need, and who are bona-fide citizens of Randall county will be able to secure this clothing. Reports on all this material must be made to the Red Cross.

State Board of Education Will Discuss Colleges

President J. A. Hill will leave today for Austin to attend a meeting of the State Board of Education at which time consideration will be given to the findings of this board in regard to the state educational institutions of Texas.

At a recent meeting of the Board with College presidents, Dr. Hill and Dean R. P. Jarrett gave information regarding the work of W. T. Following the investigation, Dr. Hill was asked by the Board to make recommendations as to the future policies of the institution located here. This having been done, the hearing today will finally decide what recommendations will be made by the Board of Education to the Board of Control and to the coming session of the legislature, both in regard to policies and as to appropriations. Indications are that the Board will recommend radical reduction in the courses of study with a view of eliminating duplication so far as possible.

Help Keep Canyon Clean.

HAPPY TO BRING LARGE NUMBER EAGLES GAME

JACKS OUT TO WIN THE DISTRICT GAME.

Important Game Will Be Played Here at Buffalo Park on Friday Afternoon, Oct. 28.

The town of Happy will move to Canyon on the afternoon of October 28th when the Happy Jacks will meet the Canyon Eagles at Buffalo Park.

Supt. Irby Carruth stated yesterday that Happy was determined to win the district championship this year, and all of the citizens of Happy were backing the Jacks to the limit.

The Eagles are working hard for this game, which is considered one of the most important of the season. The showing made last Friday against the Borger Class A team greatly improved the chances for the Eagles keeping their slate clear for the year. However, the fast Happy team is likewise sweeping everything in its way this year, and the Eagles expect a tough battle on the 28th. The citizens of Canyon are being urged to set aside this day on which to back the Eagles.

Machinery Topping Highway West Has Been Moved Here

Topping of the highway west from Canyon will be started within a short while, as the machinery has been moved in, and set up ready for work. The contract was let some time ago. Rock crushing for topping will start at once. More machinery has been received by the contractors for putting in the base, and this work will be rushed as rapidly as possible.

Work on the highway south is progressing well, and all of the base should be completed within 30 to 40 days. The contract for topping has not been let, but the State Highway Commission has set the amount necessary to do the topping early in the spring.

Mr. and Mrs. O. L. Coleman left Wednesday for Carlsbad, N. M., where they will visit a few days before returning to their home in San Antonio.

Chuck Wagon Feed Postponed From Nov. 11

The date of November 11, announced last week by the Board of Directors of the Chamber of Commerce as the time for the Second annual Chuck Wagon Feed, has been postponed until a later date it was announced at the Chamber of Commerce office yesterday.

"The chuck wagon feed will be held at a later date which will be announced next week," Fred Wortham, secretary stated. "It is not the desire of the directors to conflict the activities of the Chamber of Commerce with those of any other organization, but rather it is their desire to cooperate to the fullest extent with all organizations in the community. In as much as there are other organizations expecting to have programs on the 11th, we are postponing our feed until a later date."

C. R. McAfee to Become Farmer in Randall Next Year

C. R. McAfee, former manager of the Green Bros. Co. in Amarillo, will become a Randall County farmer next year when he will move to the S. P. Merry ranch northeast of Canyon for which he traded yesterday.

The deal included three sections of the Merry ranch for the McAfee home on Polk Street in Amarillo and a half section of land north of Canyon which Mr. McAfee has owned for some time. Mr. Merry gets possession of the home in January, while the McAfee family will not move to the ranch until next fall as it is under lease to C. S. Dixon. There are 1,000 acres in the Palo Duro and 1,000 acres of good farm land, with splendid improvements.

Another section of land owned by Mr. Merry, under lease to J. P. Upchurch, was not included in the deal.

The McAfee family lived in Canyon for a number of years, moving to Amarillo when Mr. McAfee bought an interest in the furniture business. He states that he is glad to get back to Randall county, which has always been home to him.

SPOKE ON AMENDMENTS.
Clyde W. Warwick spoke in Amarillo Tuesday night at the meeting of the Open Forum upon the nine constitutional amendments which are to be voted upon in the November election.

Roy Arnold of Hereford was a business caller in the city Monday.

MISS DENNY IN FINALS RADIO CONTEST HELD

ALFRED JAMESON ELIMINATED IN PRELIMINARY.

Atwater-Kent State Contest Held Saturday—Results Have Not Yet Been Announced

Winners of the statewide Atwater-Kent Radio Audition held in Dallas over Radio Station WFAA Friday and Saturday nights will not be determined until sometime this week, it has been announced. The final decision is pending the vote of the radio audience and the report of twelve professional judges throughout the state.

Miss Maurine Denny of Wildorado, one-time student of W. T. and now school teacher at Farwell, was one of the singers chosen for the final audition in the women's division. It is not yet known what her final standing will be.

Alfred Jameson, Panhandle winner in the men's division, W. T. student, and son of Rev. C. E. Jameson of Canyon, was eliminated in the preliminary contests Saturday afternoon.

Miss Frances Usery played the accompaniments for the Panhandle representatives at Dallas. The Canyon party returned home Monday afternoon.

New Pastor Is Highly Pleased With the Town

Rev. E. C. McKenzie was introduced to the Canyon Rotary Club Tuesday as a new member of the Club. Mr. McKenzie made the talk for the day, the program being in charge of Levi Cole, of the Rural Urban committee.

The speaker came to Canyon last month as pastor of the Church of Christ. He discussed the impressions that he had received of the city, and the good qualities that he had noted before coming here, and since he arrived. Three things were noticeable here: Hospitality, civic righteousness and educational facilities. The people of Canyon are very friendly, which makes a fine impression upon the stranger. The town is clean. Passing through Canyon in July, before he knew he was to move here, Mr. McKenzie was impressed with the beauty of the lawns, and the cleanliness of the city.

The educational advantages are the best. The moral and spiritual atmosphere was very noticeable. A woman who recently moved to Canyon said to the speaker, "This is the best town I know of in which to rear a family of girls." That is a good reputation for Canyon to have among the citizens of Northwest Texas.

The hospitality of Canyon was most impressive, stated the speaker, when he arrived here. Everyone on the streets spoke to him. Some men stopped, while he was unloading his furniture and greatly assisted, without asking who he was or what he was doing here. The friendliness of the people over the city was greatly appealing to the stranger. Hospitality always pays.

Absentee Votes May Be Cast to Nov. 4, General Election

Absentee votes in the general election of Nov. 8th, may be cast with the County Clerk, Berl Edwards Mayfield. Yesterday was the first day for casting absentee ballots. Voters may continue to cast absentee votes until Nov. 4th. Four applications had been filed with Mrs. Mayfield up to Tuesday and tickets were mailed to them yesterday.

STANLEY HOLDS INSTITUTE FOR CANYON PEOPLE

Two Day Course Here Is of Interest to the Merchants

DALLAS SENDS MAN

Chamber of Commerce Is Sponsor For the Lectures

H. W. Stanley of Dallas closed the Merchants' Institute Friday night after delivering six lectures on various forms of business under the auspices of the Chamber of Commerce. Mr. Stanley was sent to Canyon by the Dallas Chamber of Commerce for the purpose of assisting merchants in improving their business. His lectures were highly entertaining and very profitable to those who heard them.

"Merchandising Outlook," discussed in a frank manner showed the changes which are being made, and must be made by merchants. The gasoline and electric age, with paved highways, limited credit and change in buyers' demands have changed business methods. Near-by markets with quick delivery, has made it possible for the small town merchant, who buys with care, to have as good a stock of goods as the city merchant.

During the past 77 years in America, there have been 44 years of prosperity and 33 years of depression. The years of recent depression have been 1900, 1907, 1914, 1921, 1929, and this latter is only comparable to the one in 1873. These seven year depression periods have always been ended by some distinct cause: 1907, the automobile; 1914, the war; 1921, the radio and electrical appliances. It is predicted that the present depression will be lifted by a revival of some old commodity in a new form.

We will get back to normalcy when the old installments and debts are paid up. The greatest need in America today is faith in our country, faith in our money, faith in our neighbors, faith in ourselves, and faith in God.

Advertising Discussed
The Plan, Media and Advertising Appropriation was the largest attended lecture given.

Mr. Stanley stated that with all the advertising being done today, an advertisement which catches the reader's interest for the moment is doing well. Advertising (Continued on last page)

W. C. Black and W. D. Pike Hurt In Car Accident

W. C. Black and W. D. Pike were badly cut on their faces Thursday night about 9:30 o'clock north of Lubbock when their car collided with a cotton wagon which was on the highway without lights. They were returning from a business trip to Lubbock. In meeting cars on the highway, Mr. Black who was driving, was blinded and could not see the wagon ahead which did not have a tail light. The car was badly wrecked, and before the wreckers could reach the scene was stripped of practically everything of value.

Both Mr. Black and Mr. Pike were taken to the hospital in Lubbock where the cuts on their faces were sewed up, and they returned home by train Friday morning.

Another Advertising Scheme Nipped by Chamber of C.

The Chamber of Commerce secret advertising committee stopped another raid on the merchants of Canyon this week, when solicitors sought to have a program printed with the so-called "advertising" of the Canyon merchants.

As soon as the scheme was presented to the advertising committee it was promptly rejected as being useless.

NINE CONSTITUTIONAL AMENDMENTS

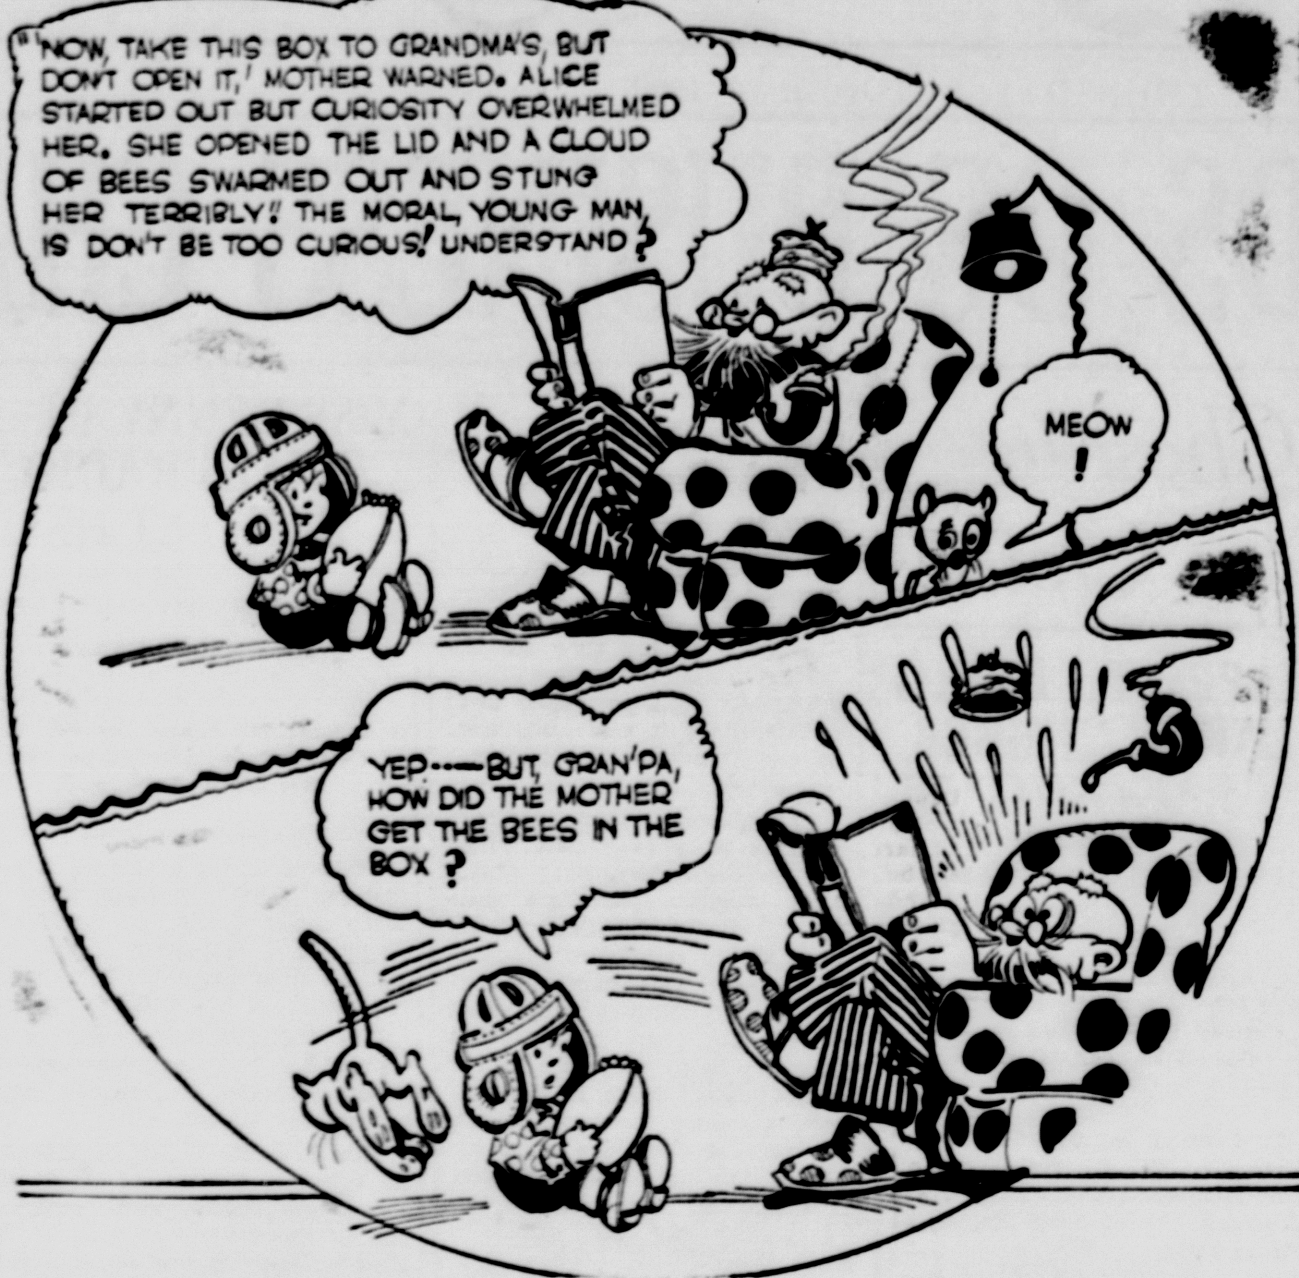

The voters of Texas will be confronted with nine constitutional amendments in the general election on November 8th. These amendments are printed across the bottom of the ballots and therefore should not be overlooked by the voters when they vote. Constitutional amendments are usually treated rather roughly by the voters of Texas. Most amendments are defeated unless there is great urge for their passage. Two years ago there was a great surprise when the voters adopted five amendments, which included the increase of pay for the members of the legislature, and extension of the regular sessions from 60 to 120 days.

The passage of these amendments brought forth 48 proposals for changes in the 42nd legislature. The committee on constitutional amendments saw that it would cost more to vote upon all of these amendments than to call a constitutional convention, so only 9 proposals were chosen for submission. It cost the state about \$40,000 to advertise all of these amendments in the newspapers of the state, to say nothing about the cost of printing the ballots, and holding the election.

One amendment is to change the constitutional amendment adopted two years ago to preclude errors in the future. Two years ago the people voted to give authority to the regents of the University of Texas to invest the permanent fund in several classes of securities other than government bonds, with a view of securing higher interest rates. Included was a provision to loan this fund to pledges of the university in the erecting of buildings. The regents borrowed \$4,000,000 for university building and \$2,000,000 for buildings at A. and M. College. It was feared that some board of regents might abuse this privilege, therefore the amendment at this time seeks to take this power for borrowing in advance from the fund away from the board of regents.

An amendment seeks to change the method of disposing of delinquent taxes. It is proposed that property may be sold for delinquent taxes without court suit, only sufficient amount of the same being sold to satisfy the taxes. At the same time penalties have been reduced very greatly. If the owner wishes to redeem the property, he may do so in one year by paying only 25 per cent above the purchase price; in two years 50 per cent above purchase price. The present provision is for him to pay double. This is a saving to pro-

THE GREAT AMERICAN HOME

erty owners who have let their property sell for delinquent taxes.

A companion amendment provides that the state must collect delinquent taxes within 10 years. Many people have been harassed by tax collectors digging up old tax bills of which they knew nothing. The state should be made to collect its taxes in a specified time the same as merchants are forced to collect notes or accounts, or have them outlawed.

Another amendment provides that only those who have property rendered for taxes may vote in bond elections. At the present time one may declare that he has taxable property, even though it be only a dollar watch, and vote in a bond election which imposes an obligation upon all real estate in the county, city or school district. Another amendment has to do with the voting privileges. At the present time members of the army and navy are not allowed to vote or hold office in Texas. In view of the fact that the National Guard is now a part of the United States army, the question might be raised against their suffrage and right to hold public office. This amendment would allow them to continue their present right to suffrage. It also admits retired officers and enlisted men of the army, navy and marine to the right of suffrage.

Under the present constitution, counties on the gulf are required to carry bond issues for sea-walls by two thirds of all qualified voters in the county or district involved. An amendment proposes

that the bond issues may be approved by two thirds of those voting. This is the same provision as any bond issue for any other purpose.

An amendment is proposed to consolidate the offices of tax assessor and tax collector, and provides that in counties with less than 10,000 population the sheriff shall be assessor and collector. This amendment will save the people of Texas a half million dollars annually.

An amendment is submitted to provide that the legislature may make appropriations for the Texas Centennial. This amendment is being opposed by the West Texas Chamber of Commerce because no limit is placed upon the amount of the appropriation, and it is believed that fully five millions of dollars will be necessary.

The last amendment is to exempt homesteads of \$3,000 value from the state ad valorem tax. It is estimated that this will take about \$5,000,000 from the state treasury. Some lawyers declare that it will also exempt \$3,000 homesteads from city, school and county taxes. If so, this would wreck the local governments, and the amendment should be defeated. Also it is argued that the state appropriations cannot be sufficiently reduced to take this loss of \$5,000,000 and it will mean that other forms of taxes will be adopted, so that as a matter of fact the taxpayers will save nothing. This amendment has been discussed pro and con very much the past few weeks. At the time of its passage it looked

like a good thing; further investigation indicates there is great danger in it, but nevertheless it is predicted that it will be carried, as people will vote for it with the belief that they will actually save money.

Study these amendments carefully, and then vote upon all nine questions on November 8th.

WE VOTE FOR FERGUSON

The News will support Mrs. Miriam A. Ferguson in the general election for governor of Texas. This statement is made to clear from the readers' minds any doubt as to the purpose of the editorial of last week when we questioned the right of the Democratic party of Texas to say to those who entered the primary that they MUST support the nominee. The News holds no brief for any party which demands so much of its members. The individual should always be above the party. When the party is wrong, then the individual member is not bound by the decision of the majority which happens to be in control at that particular moment.

But why support Mrs. Ferguson? We are no piker. The editor of this paper happened to be in the last three campaigns, being elected twice by the Democratic party to public office. We have an obligation to the party, which those who were not candidates do not have. We believe that Governor Sterling is a mighty poor sport, since his defeat to announce that he will bolt the ticket. Furthermore, this man Bullington has no more chance of being elected than

does a Hindu in India. He is going to get a lot of votes, to be sure, and that is perfectly alright with us. It would be no disgrace to elect a Republican as Governor of Texas. Perhaps it would be the best thing for Texas to elect a Republican governor, and then perhaps the voters would be more careful in the choice of their leaders.

But why Mrs. Ferguson? Sure, Jim will be Governor. Mrs. Ferguson admits that. First place, Jim Ferguson knows more about state government than any man in Texas. Many say he knows too much about how to run it wrong. The fact nevertheless remains that the Fergusons are capable of giving the state a good administration, if Jim so decrees. We hope he will feel that way about it. The second place, Bullington knows nothing about state government. That may be his strength. In the third place, no one denies that the Fergusons have been kinder to education and educational institutions than any governors Texas has had in recent years, and we are more interested in this phase of public government than any other. We believe that this is sufficient reason for the support of Randall county going to the Fergusons. In the fourth place, if the voters make a martyr of the Fergusons by defeating them in this election, we shall have them to contend with again next primary. By electing them this time, maybe they will get out of the way two years hence. And so on through the next forty-nine reasons, all of which may be as good

or bad as the above ones. At any rate, we are going to support Ma and Jim.

Developments in the Insull case are manifestly disheartening to those who have a little money to invest and would like to invest it in something bearing a higher rate of interest than government bonds. Whether or not the Insulls actually wrecked their own companies, or were victims of the times has not been revealed. At any rate, thousands of investors find themselves fleeced in a colossal business failure, and the receivers drawing \$100,000 salaries to try to adjust the business. Scores of people right here in Canyon and in the Panhandle were victims of another utility deal, when they thought they were buying stock in the Texas Utilities Co., only to find this stock worthless under the name of the American Commonwealth Power Corporation. It makes one wonder about the stability of any stock being offered.

Governor Sterling did not improve his popularity in the veto of two bills passed by the special session of the legislature. The first relieved the farmers from paying the \$3.00 chauffeur licenses on their trucks; the second, gave the Railroad Commission authority in making gas rates in towns under 5,000 population. The Governor indicates that he wants to see a utility commission created, and therefore vetoed the latter bill. The commission bill was killed by the last two sessions of the legislature, and in the meanwhile the small towns are at the

mercy of the gas companies. The Governor showed poor judgment in these vetoes.

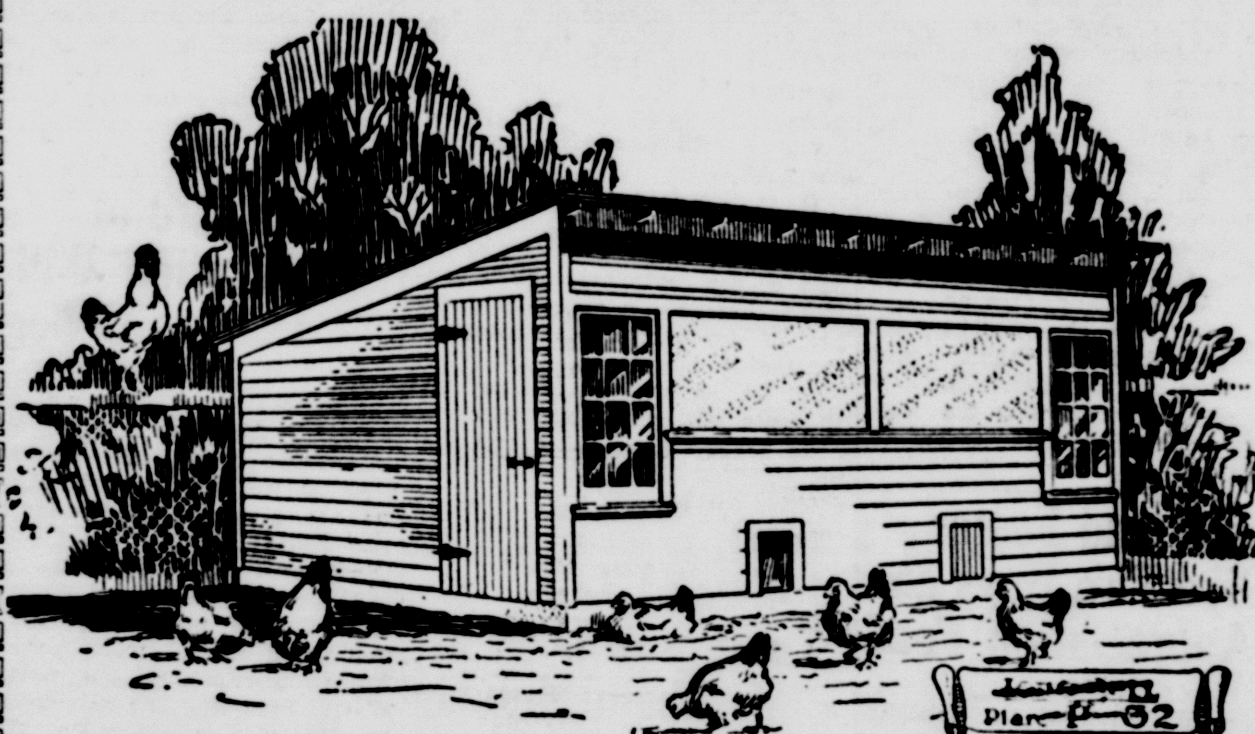

Not so bad, Mr. Upchurch, not so bad. Randall county's exhibit was just eight points under first place, and landed as fourth at the Dallas State Fair against 60 competitors. At the Tri-State fair this same exhibit was first. The rains are to blame. Had Mr. Upchurch been able to renew his exhibit after the Amarillo show, his showing would have been improved. But no one can expect him to win all of the time. It is a mighty fine record that Mr. Upchurch has as an exhibitor—in fact the best in Texas, and that covers a whole of a territory. Hats off again to this showman extraordinary, Walter Upchurch.

After all, Texas is not beyond the governess stage, and needs a Ma!

Some folks don't seem to realize that when they have what they need, they have enough.

MRS. N. E. MCINTIRE GIVES LOVELY PARTIES

Roses, chrysanthemums and dahlias were chosen by Mrs. N. E. McIntire for the decorative motif when she entertained with two lovely parties at her home, 1307 Fifth Avenue Thursday of last week.

Members of the As You Like It Club assembled in the afternoon for several hours of bridge. Tallies and score pads at the game tables followed an autumnal design.

Delicious refreshments were served to: Mrs. William Ash, Mrs. Harris M. Cook, Mrs. C. R. Flesher, Mrs. John Fry, Mrs. F. E. Savage, Mrs. D. M. Stewart, Mrs. J. J. Walker, Mrs. Dan K. Usery, Mrs. Clyde McElroy, Mrs. C. A. Murray, Mrs. R. A. Terrill, Mrs. T. B. McCarter, Mrs. T. S. Maxwell, Mrs. C. M. Presley, Mrs. J. L. Dufflot and Mrs. A. K. Goodman.

Mrs. McIntire was hostess in the evening to four tables of bridge. At the conclusion of the play score favors were awarded Miss Dalma Fry and Miss Jewell Foster.

At the refreshment hour the tables were centered with vases of roses. A yellow color scheme was developed in the dainty refreshment course served to the following: Miss Winnie Davis, Miss Irene Presley, Mrs. Lige Frieze, Miss Sadie Kate Bass, Mrs. James Cole, Mrs. J. B. Sikes, Miss Velma Thomas, Miss Minnie McCarty, Miss Gladys Beavers, Miss Lillian Atkins, Miss Erin Gamble, Miss Dalma Fry, Miss Mattie Jordan, Miss Jewell Foster, Miss Nell Dunaway, and Mrs. Berl E. Mayfield.

TIERRA BLANCA CLUB MEETS THURSDAY

Mrs. S. S. Williams was hostess to the members of the Tierra Blanca Home Demonstration club at its regular meeting, Thursday afternoon.

Miss Baas was present and gave an instructive talk on "Planning the Wardrobe." Members answering roll call were: Mrs. L. L. Byars, Mrs. L. C. Ruthardt, Mrs. Joe Adcock, Mrs. H. H. Hand, Mrs. Ruel Woods, Mrs. Henry Prichard, Mrs. J. W. Millermon, Mrs. S. S. Williams.

Miss Ethleen Wofford, Mrs. J. C. McClennen, Mrs. Charles Stockhaus, and Mrs. L. L. Freeman were introduced to the club as visitors.

After a delightful and instructive meeting the club adjourned to meet Thursday afternoon, October 28th, at the home of Mrs. J. W. Millermon. Mrs. L. C. Ruthardt will give a demonstration on "How to Can Chicken." As important business is to be taken up and discussed at this meeting it is hoped that every member will be present.

Miss Emil Brewer spent Sunday in Memphis visiting her mother.

WRANGLERS ENJOY OVERNIGHT PARTY

With knapsacks and "nosebags" members of the Wrangler Scout Leadership troupe enjoyed an overnight party at Wragge's Park Saturday night under the sponsorship of Miss Thelma Brummett, captain.

The group assembled at 5:30 and hiked out to the park where they built a campfire and served supper. Games were enjoyed for the remainder of the evening. Particularly enjoyable were the "radio" programs presented and the interesting legends worked out on "Why the Weeping Willow Weeps" and "Why the Autumn Leaves Fall."

Miss Brummett gave a talk to the troupe on arranging similar outings for small children. Campfire songs were sung until a late hour.

The girls served hot chocolate before putting down their beds for the night. A sunrise breakfast was prepared Sunday morning and the group returned to the city in time to attend Sunday school. Special guests were Dean Geraldine Green of the College, and Miss Lois Goodrich, captain of the Canyon High School troupe.

PALO DURO PLANS YEAR'S ACTIVITIES

Palo Duro Unit of the American Legion Auxiliary met Monday afternoon with Mrs. John S. Humphreys, newly elected president, presiding.

Patriotic, civic and welfare activities will make up the major part of the unit program for the year 1932-33. One or two important activities will receive emphasis each month under a calendar of activities prepared for the year.

Mrs. Dan F. Sanders gave a very interesting report of the district convention which was held in Plainview October 15, and 16. Mrs. Frank Phillips, Mrs. H. O. Price and Mrs. Sanders represented the Palo Duro unit.

Mrs. Humphreys has announced the following committees for the year: Americanism-National Defense, Mrs. Frank R. Phillips; Legislation, Mrs. Berl Edwards Mayfield; Community Service, Mrs. A. H. Prichard; Rehabilitation-Child Welfare, Mrs. Hubert O. Price; Fiduciar, Mrs. George A. Farlow; Music, Mrs. T. H. Knighton; Publicity, Mrs. T. H. Knighton; Membership, Mrs. J. Madison Daugherty; House Committee, Mrs. H. O. Price; Federation, Mrs. Humphreys.

Mr. and Mrs. Glen Reagan of Perryton spent from Wednesday to Sunday in the parental O. I. Smith home.

Miss Letha Handley of Priona visited Miss Thelma Brummett and Miss Lois Goodrich Sunday.

A. A. U. W. ORGANIZE WEDNESDAY EVENING

The local branch of the American Association of University Women met Wednesday evening of last week at the home of Mrs. J. A. Hill with a record enrollment of 36 members.

Mrs. T. B. McCarter, president, was in charge of the meeting. Two study groups, one on Literature and one on Writing, were organized with prospects for another group later.

Mrs. Geraldine Green was chosen to represent the local branch at the A. A. U. W. convention at Corpus Christi, October 28th and 29th. She will also serve as representative from the College in the place of Miss Hattie M. Anderson, chairman of the convention committee on International Relations.

The chapter will again distribute magazines to the county schools through the office of County Judge S. B. Orton. This work was carried on last year and more than 575 magazines distributed.

Following the business meeting a delicious refreshment course was served. Others who would like to join the branch are invited to attend the next meeting on the first Monday in November, at the home of Miss Helen White Moore.

For the benefit of those who are interested in joining the association the following list of colleges is given:

Those who are graduates of the following are eligible for national membership: University of Texas, Texas State College for Women, Baylor University, College of Incarnate Word, Our Lady of the Lake, and Texas Christian University.

Those who have had two years' work in the above are also eligible for associate membership as are the ones who have graduated from the following:

Baylor College for Women, North Texas State Teachers College, Sam Houston State Teachers College, Stephen F. Austin State Teachers College, Trinity University, and West Texas State Teachers College.

STITCH-A-WAY IS NEW NEEDLE CLUB

Members of the Stitch-a-Way Club were entertained last Friday at the home of Mrs. Victor Steen. After a very enjoyable social hour, a business meeting was held, and the following officers were elected: President, Mrs. Bill Simmons; vice president, Mrs. Victor Steen; secretary-treasurer, Mrs. Carl Morton; social chairman, Mrs. Vernon Miller; reporter, Mrs. Terry Mayben.

A delicious salad course was served to the following members: Mrs. Carl Morton, Mrs. Rhea Robbins, Mrs. Vernon Miller, Mrs. Bill Charles, Mrs. Bill Simmons, Mrs. Terry Mayben, Miss Neva Robbins, and the hostess.

The club will meet next Friday with Mrs. Terry Mayben.

Mrs. Leo Kegan and children are leaving this week for their home in Fallon, Nevada, after spending the past week in the home of her sister, Mrs. Alec Love. They spent the summer in the parental J. F. Hood home in Amarillo.

Mr. and Mrs. Cleatice Crump spent the week end with friends and relatives of Mr. Crump in Ralls.

Tots "Bubble" With Glee

Little Marie Lundin and Denise Mephan are shown above having a swell time with a number of pretty "bubbles" they found. But Denise seems to be finding it hard to burst one of them. And no wonder, they're not bubbles, but blown glass globes to be used later for city electric light standards, and just now strewn about the yard of a Los Angeles glass works.

WESTMINSTER GUILD HAS PICNIC

The Westminster Guild of the Presbyterian Church held their annual moon-light picnic at the T-Anchor ranch Monday, Oct. 10. Upon their arrival at the appointed spot they found the fire already burning for the welcome-roast. After supper a number of delightful games were played.

Those attending were Edna Irene Bandy, Mary McCaslin, Johanna Miller, Ellen Lois Cleavinger, Mary Neil Bandy, Freda Charles Bills, Kathryn Robinson, Mildred Bessire, Mary Strain, Gladys McBride, Margaret Pierle, Carol Smith, Margaret Croson, Esther Lou Bandy, Lorene Bessire, and Mrs. Kunze.

MRS. CALDWELL ENTERTAINS CLUB

Mrs. Jesse Caldwell entertained the members of the Worthwhile club at her home on Fourth Avenue Thursday afternoon.

Mrs. W. T. Davis, president of the club, gave an interesting health talk on "The Posture of the Body."

Refreshments of sandwiches, cake and chocolate were served by the hostess of the club members and two special guests, Mrs. Olson, and Mrs. Stock.

Little Miss Mary Charlotte Word appeared on the program of the Mozart Club in Amarillo last Friday evening. Her grandmother, Mrs. S. L. Ingham, and Mrs. O. N. Gamble attended the program with her.

Mr. and Mrs. Jasper Atkins and daughter Joanne, and Mrs. R. W. Ratcliff visited in the home of Mr. and Mrs. T. B. Atkins in Amarillo Sunday afternoon.

Dr. and Mrs. D. M. Stewart attended the district meeting of the medical society in Lubbock last week.

Miss Irene Patton of Silverton came last week to take a course in beauty work at the Terry Beauty Salon.

This Is Her Leap Year

Here is Fraulein Lola Schroeter, noted German woman parachute jumper who recently leaped from a plane speeding 124 miles an hour, four and a half miles above the earth, to break the women's altitude jump record. The fraulein reached earth a half hour after she left the plane. The feat took place at Kiel, Germany.

Going to another town and becoming famous is another way of surprising the folks back home.

LOVELY PARTIES GIVEN AT W. A. WARREN HOME

Black cats and large yellow pumpkins were high notes in the decorative motif selected by Mrs. W. A. Warren of 1814 Third avenue when she entertained with a series of lovely parties at her home Wednesday.

Baskets and vases of colorful autumn blossoms greeted the guests in the rooms where tables were placed for bridge. Tables were marked with numbers in Halloween designs and score pads and tallies were lively with witticisms and cats in black and yellow.

Guests assembled at 9 o'clock Wednesday morning and enjoyed luncheon until 11:30 when a delicious luncheon was served. Clever hand made Halloween nut cups were used on each plate. The list included the following:

Mrs. D. M. Stewart, Mrs. Annie V. McCarty, Mrs. P. E. Savage, Mrs. H. M. Cook, Mrs. D. A. Shirley, Mrs. T. B. McCarty, Mrs. O. N. Gamble, Mrs. Clyde Warwick, Mrs. Clyde McElroy, Mrs. John Fry, Mrs. C. R. Burrow, Mrs. J. J. Walker, Mrs. J. Roy Moses, Mrs. L. F. Sheffy, Mrs. C. A. Murray, Mrs. C. H. Jarrett, Mrs. T. M. Moore, Mrs. L. S. Baker, Mrs. R. P. Jarrett, Mrs. John S. Humphreys, Mrs. Bill Black, Mrs. N. E. McIntire, Mrs. Grady Oldham, and Mrs. T. C. Thompson.

Wednesday afternoon Mrs. Warren was hostess to the members of the 1925 Club and a number of special guests. Bridge was enjoyed during the afternoon, and delicious refreshments were served at the tea hour. Those invited were: Mrs. H. W. Hartman, Mrs. M. S. Bishir, Mrs. Joe Black, Mrs. Hud Prichard, Mrs. J. Madison Daugherty, Mrs. Mitchell Jones, Mrs. G. A. Farlow, Mrs. C. R. Flesher, Mrs. Oscar Gano, Mrs. Frank Hicks, Mrs. Roscoe Davis, Mrs. J. L. Dufflot, Mrs. T. S. Maxwell, Mrs. C. W. WEST SIDE H. D. CLUB MEETS

"Planning the Wardrobe" was the subject of the discussion led by Miss Bass at the regular meeting of the West Side Home Demonstration Club, at the home of Mrs. Bradley Burrus. Eleven members and one visitor enjoyed the hospitality of Mrs. Burrus on this occasion. The next meeting on Wednesday, Oct. 26, will be with Mrs. Jim Wright, when Mrs. Wright, the club demonstrator, will discuss "Canning Chickens and Methods of Using Canned Chickens."

The first meeting in November, which is "Achievement Day" for all clubs in the county, will be held at the home of our Pantry Demonstrator, Mrs. Bourne. Visitors and members are urged to inspect her pantry, learn of things the club is sponsoring, and enjoy the social meeting at the close of the regular business meeting. Visitors are welcome at all meetings.

Mr. and Mrs. S. B. Fast of McLean were Sunday visitors in the home of their niece, Mrs. Sula Veach.

Flower Exchange

Miss Mary A. Lamb has notified the Federated Women's Clubs that she has more iris than she needs and will be glad to give them to any who want some of the bulbs. She is transplanting now, and would like for those who want them to call soon.

P. T. A. WILL MEET TODAY

The P. T. A. of the public school will meet this afternoon at 4:00 o'clock at the high school auditorium. Dean R. P. Jarrett will discuss the question of "Personality Development."

At the meeting last Thursday afternoon Miss Ahlschier discussed the proper diet for school children. She emphasized the necessity of a hot lunch. A large number of mothers and teachers were present.

In the future, the P. T. A. will meet on the third Thursday of each month at 4 o'clock, and interesting programs are being planned.

MISSIONARY SOCIETY STUDIES ALASKA

The Mission Study Class of the Presbyterian church met on Tuesday afternoon for an interesting lesson on Alaska, led by Mrs. John Knight. The first Presbyterian church was organized there in 1879, and the first white woman in the country was Mrs. McFarland, a missionary for this church, who conducted a small school with pupils from kindergarten up to 50 years of age.

Tuberculosis was a great scourge among the natives, but with improved living conditions much has been eradicated. The work of the missionaries has resulted in many natives becoming Christians.

CHILD AND YOUTH WEEK OBSERVED AT M. E. CHURCH

The Methodist Church is observing Child and Youth Week beginning October 23, according to an announcement made by Miss Ruth Lowe. In connection with the observance, the committee in charge is planning to display a collection of books which will meet the needs of parents and those who are interested in various needs of child management.

Display will be made in the church auditorium from 5 to 6 o'clock Sunday afternoon. Anyone interested in looking through the collection is welcome at this hour.

A special invitation is extended to those who are not members of that church.

METHODIST MISSIONARY SOCIETY

Mrs. C. A. Murray and Mrs. M. H. Rockwell will be hostesses to the Methodist Missionary Society next Tuesday, October 25, at 3:00 o'clock at the home of Mrs. Murray, 1902 Sixth Avenue.

Here's a Flying Steam Roller

Can you imagine a steam roller dangling in the air? Whether you can or not, here's a picture of one swaying some feet above the ground—a sight that would make an imbibor sign the pledge. Assassinated Farm Striker

Nordahl Peterson, 25-year-old Canby, Minn., farmer and farm strike picket, became the first casualty in the farm price war waged in midwestern states when he was fatally wounded by a shotgun blast fired at him and companion pickets from an auto which immediately sped away. Peterson is shown above with his sister.

Wayside Items

Ideal weather for farm work. Wheat sowing and saving feed crops are moving along briskly. Some fields of wheat sown early are being resown on account of the prevalence of winter grass.

Wm. Payne brought his brother, J. C. Payne to his home near Wayside last Sunday. He has been in Northwest Texas Hospital, Amarillo, about two weeks. He stood the trip remarkably well. Day following slept more and rested better than for some time.

Wayside school presented lovely flowers from the green house to Mr. Payne while in the hospital. J. W. McCrery, Canyon, drove Mrs. J. C. Payne's car out last Sunday.

A goodly number of neighbors and friends called at the Payne home Sunday. Teachers Mr. and Mrs. Dungan visited Monday after school, taking Jessie Chloe and Brice to see their sick father. The children are spending the week with W. I. Lane and wife.

Marvin Hamblin and Annie Marie McKee were married in Clovis, N. M., Saturday, Oct. 15. Mrs. Doris Gillham, a niece of the groom accompanied them. We wish for them a happy married life. He has employment with Irving SoRelle, where they will be found at home to their friends.

Mrs. Crow, mother of Mrs. J. C. Payne, and daughter Evelyn, husband and babe, spent the night at the Payne home one night last week.

W. I. Lane made a trip to Gallegos, N. M., with Mr. Dowlen last Sunday, returning Monday. He reports J. M. McGehee as looking well.

Ivan and Sara Beth McGee from Happy school spent the past week end at home. Sara Frances Smith from Canyon High was at home Sunday.

W. J. Sluder is suffering with neuritis in shoulders. Lacerations in hand about well. Wm. Payne and wife will assist Mrs. J. C. Payne in nursing her husband this week. Doyle and Lyn came down, but returned Monday to Dalhart schools.

Mrs. Elva Alsop was quite sick the past week, spent a few days at her relatives home, M. E. Counterman in Happy. She returned to Mrs. Myrtle McGehee's Sunday, where she has employment.

Mrs. J. T. Lowe, Baxley, Georgia, formerly Wayside, has been confined to her bed near three months with neuritis. No improvement in her condition.

Johnson Items

Mr. and Mrs. Irvin Bauer and children visited in the parental J. C. Dallard home in Pampa Sunday.

Mrs. R. H. Bratcher has been confined to her bed for the last week because of a very severe case of tonsillitis.

Church was held in the Johnson school house Sunday. A good attendance with several visitors was reported. Rev. Herbert Lockney was the minister in charge. After services Rev. Herbert visited in the home of L. S. Spiser.

Evelyn Bauer was absent from school last week on Tuesday because of illness.

J. J. Bauer was in Amarillo Friday on business.

The Johnson school is preparing a Halloween program to be presented on the evening of October 28 at 7:15 o'clock. Visitors are especially invited.

Captain Lockhart Is Commended for Work of Co. F

Captain W. E. Lockhart, commander of Company F, 142nd Infantry, has received two letters this week highly complimenting his company, and his work in general with the National Guard.

The first letter came from Regimental Commander, Col. Nimon, through his adjutant, Captain Chas. H. Dobbs, commending Capt. Lockhart for the care given the equipment furnished by the government to Company F. Improvements were noted over the inspection held during the annual camp.

The second letter came from Fort Sam Houston, Col. Edward R. Coppock, expressing the appreciation of the Commanding General and of the C. M. T. C. Officer of the 8th Area for the hearty co-operation given by Captain Lockhart and by members of Company F. Speaking of the men of the company, the statement was made, "As a whole the trainees have been of a higher class physically, mentally and morally."

Army officers are noted for seldom giving words of praise to their commands, and for this reason these letters are highly appreciated by Captain Lockhart, the officers and men of Company F.

College Men Hold Chapel Period to Meet Business Men

Dean of Men Harris M. Cook conducted a chapel period for the men of the College Tuesday at eleven o'clock to which business men of Canyon were invited. Dean Cook discussed business ethics for students, including the question of credit and bad checks. He highly praised the efforts of Canyon to provide the conveniences found here for the pleasure and profit of the students, including the paved streets, white way, churches and business houses.

O. W. Gano, president of the Rotary Club; W. A. Warren, director of the Chamber of Commerce; Fred E. Wortham, secretary of the Chamber of Commerce; and Clyde W. Warwick were introduced to the students.

Former Citizen Canyon Dies at Wichita Falls

Mrs. Robert Wade, Jr., nee Alice Smith, died last Thursday at her home in Wichita Falls. She was a niece of W. D. Smith of this city, and made her home here from 1923 to 1931 at the home of Mr. Smith. She graduated from the Canyon high school in 1931 and attended the College during the summer.

Oct. 31, 1931 she was married to Robert Wade, Jr., who survives her together with an infant daughter five days old.

The funeral services were held at Tipton, Okla., on Friday afternoon. Relatives from Canyon who attended were Misses Beulah and Eula Hardman, Arthur Hardman, and Mr. and Mrs. Wray D. Smith.

During her residence in Canyon Mrs. Wade was a member of the Presbyterian church and took an active part in all the affairs of the church, especially the young people's work.

GIRL SCOUTS PUT ON AN ACTIVE PROGRAM

Thursday, October 5, Miss Rosalie Leslie addressed the Thistle Troop of Girl Scouts on the subject of Indian lore. It was beautifully illustrated by a demonstration of Indian signs. The program was concluded by a group of Indian legends.

Oct. 12, the program consisted of a "sing song." Each of the five patrols composed a song about scouting, these were sung and judged by outsiders. The three best ones were taught to the other scouts.

Friday night, October 17, thirty of the grade school division of scouts went on a picnic out to Shiplett's creek, north of town. The evening meal consisted of nosebag supper.

One patrol's project is the making of beaded belts. Others are working on tin-can crafts.

A contest is being planned for the making of linoleum block prints.

EPISCOPAL CHURCH.

In the interim, when the Canyon church is without a regular minister, Bishop Seaman has arranged a series of special services, at which different persons of note will officiate.

Our next preacher will be Rev. Newton C. Smith, rector of the Episcopal church at Pampa, who will conduct the service and deliver the sermon next Sunday night, Oct. 23rd, at eight o'clock.

It will be the first visit of Rev. Mr. Smith to our community, and it is hoped that a number of students and citizens of Canyon will be present to hear him. Mrs. Smith, and perhaps others from Pampa, will accompany him.

Insull Failure Biggest Crash Since the 18th Century "Mississippi Bubble"

NOTHING since the bursting of John Law's famed "Mississippi Bubble," 200 years ago, has quite approached the scope of the failure of Samuel Insull, Chicago public utilities magnate who, before his recent downfall, held control of a chain of utilities serving more than 5,000 communities in 32 states.

Exact comparisons between Insull's collapse and that of John Law are difficult because of the wide differences in time and in the nature of their enterprises, but the fact remains that the value of the \$4,000,000,000 chain Insull controlled was nearly twice the amount involved in the bursting of John Law's bubble. At its peak, Law's scheme involved 2,700,000,000 livres, or approximately \$1,350,000,000.

The essential difference, of course, was that Law's scheme was rank speculation and everybody was wiped out when the crash came. In Insull's case, only his gigantic holding companies toppled, leaving financial salvage in his operating companies; and the total loss to his investors is estimated at around \$750,000,000.

As history records, John Law, a keen-witted Scottish financier, was commissioned by King Louis XV of France to promote a trading company in America in the early 1700's. The regent needed money for rescuing French finances from the debt into which the wars of Louis XIV had plunged them.

Law began developing the French province of Louisiana, and the country bordering on the Mississippi—a tract believed in those days to abound in precious metal. To float his company, Law sold stock and to support this stock the king allowed Law to issue money guaranteed by the French government.

Tales of fabulous wealth in the new country, and visions of immense profits, plunged Europe into a fever of speculation. The stock rose rapidly from 30, its original quotation, to 1500. Then—the crash came.

Values plunged downward overnight. A share in Law's fantastic scheme, which had sold for 1500, could now be bought for 24 or

The collapse of the enormous holding companies of Samuel Insull, inset, public utilities magnate, and the estimated loss to investors of \$750,000,000, provided the biggest business failure in history since John Law's famed "Mississippi Bubble" burst in the early 1700's. Insull is shown above as he strolled with a friend recently on the Champs Elysee in Paris.

less, Law's company was in ruins, millions of investors were beggared and Law was forced to flee to France.

THOUGH perhaps comparable to

Law's enterprise in extent, Insull's enterprise was far different. Insull, born in England, came to America in 1881 to become Thomas A. Edison's business manager. He organized a number of companies to manufacture and market Edison's inventions and then, in 1892, went to Chicago as a public utility operator. He had visions of a nation-wide chain of public utilities under his control and began to expand, buying plants, erecting others and linking

them together. He financed this expansion by means of gigantic holding companies (owning the stock control of other plants) which he organized in such a way that he could control them with very little of his money invested.

When Insull's topmost holding companies went into receivership, toppling over the rest of his financial pyramid and blasting his control, his chain of public utility plants extended from Maine to Texas and overflowed into Canada and Mexico. The great system now may be broken up into smaller groups and the operation of the producing plants continued without interruption.

bride and groom are both popular here, showered rice on them ere they left the car and followed it up until they were kindly rescued—saved from their friends—by John Rowan, who tucked them away in the bus. Birch Campbell says that Mr. Gamble, in trying to save himself, ran almost to the Palo Duro, but this, perhaps, is not so.

Mrs. Gamble was here the latter part of last year as stenographer for Garrison & Harrison. J. D. Gamble is one of our prominent business men and like his wife popular with all who know him, and we may add that everybody knows him.

The News representative was not present during either of the rice showers or the slipper throwing, but joins heartily with the friends who were and those who were not in wishing for Mr. and Mrs. Gamble a long and pleasant life.

N. E. McIntire left Friday for Dallas where he will spend the week on business. He will also visit in the home of his daughter, Mrs. Pat Whittington, at Longview before he returns.

GAMBLE-REDDEN

J. D. Gamble and Miss Ada Redden were made man and wife in parlors of the Metropolitan Hotel at Fort Worth on Tuesday. Elder Edward McShane Waits, pastor of the Christian church at El Paso, was master of ceremonies. Aside from the principals there was present the bride's father, Mr. Redden, Mrs. Wilder of Dublin, and Miss Montgomery and Mr. Carr, friends of the bride at Fort Worth, also our own C. N. Harrison, who accompanied Mr. Gamble down there and like a father, saw him safely through all of his trouble until he and his bride were landed at "The Victoria" Wednesday evening.

The party, bride, groom, and Mr. Harrison, were showered with rice by friends as they left the Fort Worth depot Tuesday evening for home and upon their arrival here were again visited abundantly with the same token of consideration, affection and good wishes for their future happiness. These friends, quite a crowd of them, for the

Praise Good Books For Children As Found in Canyon

"One of the most beautiful and complete selections of children's books we have ever seen," stated two women of Amarillo at Warwick's last Friday.

"We have been planning this trip for more than a year, as we have heard of the wonderful selection of children's books which you carry, and at prices far under those asked in the cities," stated one of the women who for years was a librarian, and knows good books.

Mr. and Mrs. Freddie Gilbert of Big Spring were guests in the home of Mr. and Mrs. J. B. Sikes a few days last week.

Mr. and Mrs. B. F. Hooker of Quail were in Canyon over the week end attending to business and visiting friends.

Miss Columbia Redfeard, Mrs. Emma Foster, Mrs. E. L. Prichard and Miss Mattie Foster visited in Amarillo Sunday afternoon.

Pampa Harvesters To Meet Yearlings Here Friday Night

The Pampa Harvesters will invade Canyon Friday night with two regular tackles and a regular quarterback sitting on the sidelines. H. L. Ledrick, first string quarterback, has been out since the game with Berger two weeks ago when he sprained an ankle. Philip Powell, 200 pound tackle, will probably be out for several weeks with a bad knee received in the game with Plainview last Friday. Rufus Walker suffered an injured ankle in the same game.

The green and gold expect a tough battle but hope to hold the strengthened Freshmen.

Mr. and Mrs. Lee Foster spent the week-end in Dalhart with Mrs. Foster's parents, Mr. and Mrs. J. A. Brewer. Mrs. Brewer underwent a major operation Saturday morning, and is reported to be getting along as well as could be expected. Mr. Brewer is just able to be up again after a major operation a few weeks ago.

THE EAGLE'S TALE

VOLUME NO. 7

CANYON, TEXAS, OCTOBER 20, 1932.

NUMBER 6

Eagles and Bulldogs Fight To 0-0 Draw

The Canyon Eagles journeyed to Borger Friday evening and played the powerful Borger Bulldogs one of the most exciting games of the season. Although the Bulldogs were far superior to the Eagles, both in weight and experience, the game ended in a scoreless deadlock.

Sweeping end runs, crashing line plunges and dare-devil tackling kept the 3,000 people who saw the game in an endless frenzy of excitement. Many people from Canyon went with the Eagles and kept their side of the stands in an uproar in their loyal support to the Eagles.

Each team was constantly threatening to score. S. Cox and Thomas did most of the ball totting for the Eagles. Gray and Hannah were chief mail carriers for the Bulldogs. Although the Eagles' forward wall was out-weighted, they were constantly tearing through the Bulldog line and throwing their ball carriers for loss after loss. The entire line was doing all that could be expected of a green team.

Due to the fact that neither team could gain on running plays, the game was a punting and passing duel. Thomas, the Eagle quarterback, had the advantage over his opponent in the punting duel. Borger's most dangerous threat to score was through the air.

Pep Squad Is Organized In Grade School

A pep squad, to which the fifth, sixth, and seventh grade pupils who have bought activity tickets are eligible, has been organized by the seventh grade boys and girls. Carolyn Mayfield and Sherman Higdon were elected leaders, and uniforms of white suits and purple ribbons were chosen.

WHO'S WHO
Miss Fannie Sue Brasuel is another new member of the Canyon High School faculty. She holds a Bachelor of Science degree from West Texas State Teachers College and did graduate work at the College of Industrial Arts at Denton, the past summer. Because of good work, she was elected to a national home economics sorority, the Kappa Omicron Phi. In the years of 1929-30, she taught in the Stone School in Randall county. After graduating in 1932 from West Texas State Teachers College, she was elected to the home economics department of this school.

Miss Ethelene Murrell is engaged in her second year of work in Canyon High School. She received a Bachelor of Science degree from West Texas State Teachers College in 1928 and has done graduate work in George Peabody Teachers College in Nashville, Tennessee. She has taught in Missouri for three years, and was elected to the history department of this school in 1931.

Pep Squad Has Selected Play To Be Given in Dec.

The Purple Pep Club is going to give the three act comedy drama, "George in a Jam," by Lillian Mortimer. The cast was selected by tryouts. The judges were Mr. Carruth, Miss Murrell, Miss Foster, Mr. Cox and Mrs. Crump.

The cast will begin practice as soon as football season is over or after the Thanksgiving holidays.

The cast as chosen by the judges is as follows:

Jim Gray.....Ogden Stroud
Miss Brown.....Mary Beth Campbell
George Faber.....Marvin Callihan
Odessa.....Zudie May Bible
Jack Carson.....Robert Black
Nellie Marrow.....Dora Mae Plaster
Sara Larkus.....Maxine Middleton
Ma Larkus.....Rosa Cash
Pop Larkus.....Tyson Cox
Zeke Stebbins.....Hamilton Lisle

The comedy will be directed by Mrs. Crump, head of the public speaking department. The advertising and sale of tickets will be handled by the Purple Pep club members.

Eagles' Tale First Published in 1926 With Shook Editor

It is found that the Eagles Tale has a very interesting background.

The first issue of a paper of Canyon High School was called "Canyon Public School Notes." Different pupils and teachers contributed articles.

The first edition of the Eagles Tale appeared on Oct. 28, 1926. The staff blank was not filled in. A very interesting article was in this copy saying that all pupils interested in paper work to meet in the auditorium. The pupils which met elected the following officers: Roger Shook, editor in chief; Keith Donnell, Charles Strain, Lurline Bowman, Jake Harrison, assistant editors; Irma Hinkle, society; Wyatt Webb, features.

A very interesting article that appeared in this edition was on the naming of the paper. One vote decided on Eagles Tale instead of Eagles Eye.

In 1927 the staff was as follows: Keith Donnell, editor in chief; Margaret Laxson, Elmer Fite, Eleanor Simmons, Jake Harrison, associate editors; Hannah McCormick, features; Elmer Wooten, sports; Eugene Morris, assistant sports; Opal Shuman, poetry; Christine Upchurch, society; Miss Hood, sponsor; Dorothy Faye Rusk, Margaret Gamble, reporters; John Guthrie and Vincent Lockhart, reporters from ward school.

The staff was the same in the year of 1928 with the exception of Opal Shuman and Eugene Morris. Katye B. Lowe was added to the staff.

We find that in 1929 the paper was still flourishing under Keith Donnell.

Dorothy Faye Rusk was editor in chief in 1930. Alton Donnell, Katye Bowers Lowe, Vincent Lockhart, Louise Wester, John Guthrie, Douglas Henson, Dorothy Cash helped with the paper.

Katie B. Lowe, Vincent Lockhart and Louise Wester had charge of the paper in 1931. The same people were on the staff with the exception of Dorothy Faye Rusk and Dorothy Cash. Armor Lee Greenfield was added. Mary Ella Lowe was made grade school reporter. It was during this year that two papers were printed. Katye Bowers Lowe printed a separate paper called the "Purple Page." Vincent Lockhart took charge of the Eagles Tale.

In 1932, Vincent Lockhart had charge of the paper. Sarah Bonnie Bourn, Robbie Foster, Rubye Foster, and R. L. Burnam and Kathryn Robinson were added to the staff. Armor Lee Greenfield stopped her work and Rosa Cash took her place.

Louise Wester has charge of the paper in 1933. Katye B. Lowe and Vincent Lockhart left the paper. Jean Slack was made grade reporter.

Welma Crawford and Alberta Hammond visited friends at Nimbarger.

Assembly Enjoys Talks on Spain And World War

Miss Ellis of Portland, Oregon, spoke to the student body on Spain at the chapel period, October 13. Miss Ellis spent the winter of 1931 in Spain and is now visiting in Amarillo.

Miss Ellis told the student body that after she decided she would spend the winter in Spain, she boarded a ship in New York City and was soon out upon a rough and stormy sea. When they finally reached port in France, they were thirty-four hours late. From France she went to the land of "eternal sunshine and flowers." When she first reached Spain, she bought a round trip ticket of 4,000 miles for \$25, this ticket being good for three months.

At first she was rather afraid to go into Spain at this time because of the Spanish rebellion against King Alfonso. But knowing that Spaniards were not blood-thirsty, she continued her trip into southern Spain and Madrid. The following Sunday, after she had established herself in an up town Madrid, was the day which determined whether the country was to become a republic or was to be still ruled by the monarchy.

Miss Ellis said that it was a disgrace if the women were not married by the time they were 21 years of age. In Spain there was not a divorce until the country became a republic. The women of Spain have very few privileges, but above this they are not allowed to work because they can hire servants at four dollars a month.

"Spain has the most magnificent buildings in all the world, especially the ceilings of the buildings are beautiful. There is no art in all the world that will surpass the Spanish art," said Miss Ellis.

One great characteristic of the Spaniards are that they are never in a hurry. Few people have clocks with which to tell the time, and thus are never on time. The Spaniards love music and dancing, said Miss Ellis.

This lecture was indeed enjoyed by the entire student body.

On October 14, Sargeant George Leonard spoke to the student body on the evils of war. The American Legion sponsored Mr. Leonard.

In 1914 Mr. Leonard played on the Pittsburgh league baseball team. In the latter part of that year he joined the Canadian force to fight during the World War. Mr. Leonard gave a brief account of his experiences during the war.

"The greatest soldier in all the war was the mother of soldiers."

Sargeant Leonard paid much tribute to the mothers.

"Life is full of foul balls," said Mr. Leonard.

From all appearances the student body enjoyed this lecture very much.

IS TEXAS SPENDING TOO MUCH FOR EDUCATION?

Every person who is a native Texan is proud of that fact. No State in the Union has had a more eventful history than the state of Texas and all Texans are justly proud of the achievements of the grand old state. As a part of the United States, Texas stands out as one of the foremost states in the industrial and economic phases of the life of the country. Does Texas ever stop and consider the educational situation within its own boundaries in the light that it should be considered?

In these so-called times of "Depression" much is heard about the slashing of different expenditures in governmental affairs, particularly that of education. Let us consider some very pertinent facts and then decide if we should slash our educational expenditures and thereby lower our standards back to where they were a quarter of a century ago. According to a compilation of statistics by the Research Division of the National Education Association, the average expenditures per pupil enrolled in the public elementary and secondary schools in continental United States was \$98.30, while this same expenditure in Texas was \$59.88. Only twelve states of this great nation of forty-eight states of ours spent less money per pupil than did Texas while New York spent \$168.81 per pupil. This amount is almost three times as much as what Texas spent. Do the children of the people of New York mean more to them than the children of Texas mean to this state? With the compilation of statistics which was referred to above again used as a basis, the average cost of education per child for one day

Claude-Canyon Conference Teams To Meet Friday

Next Friday the Canyon High School Eagles will play their second conference game of the season when they go to Claude to battle it out with the Claude High School Mustangs.

Last Friday the Mustangs were defeated by the powerful Happy Jacks to the count of 26 to 0. The same day the Eagles and the Borger Bulldogs battled to a scoreless tie. The Eagles will enter the game as heavy favorites and will try to make it four games in which their goal line has not been crossed.

The Eagles received the backing of the entire High School in the Borger game. Come on everyone, let's go to Claude and back the Eagles 100 per cent.

Nine Students Assist With Office Duties

The office help was selected from the student body this year. There is a student working in each office every period of the day. Their duties are to check absences, take care of the records, answer the telephone, and run errands. The office force for the year is Myrtis Wright, Mable Schmitz, Ogden Stroud, Wade Johnson, Rosa Cash, Joe Collins, Robert Black, Lela Hickox, and Kathryn Robinson.

is slightly above forty-one cents. Not all of this forty-one cents goes to the teacher. This amount includes all the school costs. Should Texas not bear in mind the fact that Texas schools are run so economically that they will give its children books, classrooms, equipment, play grounds and a day's instruction under a well trained teacher for less than the price of a good golf ball or a box of candy?

Do parents of the younger Texans owe it to their children to consider very carefully the many proposed methods of saving in school expenditures? The coming years will bring forth many more serious problems and a false step here can ruin the schools. Children improperly trained cannot solve them as they should be.

May the people, not only of Texas but of all America as well, wake up and see the crisis that education is now facing and take steps to uphold our standards so that our children will be able to qualify as the type of citizens that America demands.

Marvin Callihan spent the week end with his parents at Conway, his home town.

Cloie Hall was the guest of Mrs. E. H. Cates, her sister, of Amarillo.

Fire Prevention Is Observed In Public Schools

Fire prevention is being observed by both the grade school and high school this week. Both schools are having drills in order to more perfect themselves for an emergency. Here are some rules they are to follow:

When the fire alarm sounds, pupils rise and pass out without books, hats, or wraps, walking rapidly but not running. No talking, holding or pushing should be allowed, and to insure safety to all, absolute quiet must prevail. When the lines reach a safe distance from the building, the pupils face the building but remain in line. Room monitors, after their windows are closed, follow their line out of the building. Room captains who stand at the door of their respective rooms, until all of the pupils are out, close the door and report the number of the room to the floor captain. Floor captains make sure that all are clear on their respective floors, and then report of the Fire Chief who will be at the front entrance. If the exit should be obstructed, the leader of the line should raise both hands for the line to reverse.

The Fire Chief is Wesley Williams.

Uncooked Tomato Relish

½ peck ripe tomatoes, 1 quart of cider vinegar, 6 green peppers, 6 sweet red peppers, 4 medium-sized onions, 1 cupful of finely chopped cabbage, 2 tsp. of celery seed, ½ tsp. red pepper, 1 tsp. ground cloves, 4 tsp. mustard seed (yellow), 5 tbsp. salt, 1 cup sugar. Scald and peel tomatoes, chop all ingredients fine, add seasoning, mix well. Add the vinegar and allow to stand over night. Next morning pack cold into small clean hot jars, seal and process.

Chow-Chow

2 cupfuls onions (small white); 2 cupfuls cauliflower, in small sections; 4 cupfuls string beans, cut; 12 green peppers, med. size; 1 red pepper; 5 tsp. celery seed; 4 tsp. mustard seed; 6 tsp. horseradish; 1 cupful sugar; 2 cupfuls cider vinegar.

The vegetables for chow-chow are better if first cured in brine and freshened by standing in cold water to cover from twelve to twenty-four hours, depending upon the amount of salt extracted. Some salt must be allowed to remain in the vegetables. After they are freshened, they should be drained, well mixed and chopped together. Heat the spices, vinegar, and sugar to 180 degrees F. Cover and allow to infuse for about one hour, then mix the vegetables. Stir

until well blended and let stand over night. In the morning stir well and pack in sterilized jars. Seal and store in a cool place. If processing is done to seal the filled jars be careful not to raise the temperature of the water bath above 180 degrees F. and hold at this temperature for about 10 to 15 minutes. This processing will help to keep the pickles and seal the jars, but will soften the texture somewhat. This amount yields three quarts.

Pepper Sauce

Wash small cherry or chili red and green peppers, pack into bottles, cover with good cider vinegar, and use it in a few days. As the sauce is used, more vinegar may be added to the peppers from time to time.

Recommends Prison Labor

After an investigation of Utah state penitentiary conditions, Margaret Davis, above, daughter of Warden R. E. Davis, recommends a national publicity campaign insisting upon prison labor. According to Miss Davis, over 80 per cent of the convicts live a comparative life of ease, the remainder being occupied in income-producing pursuits.

Sunny Hill News

Sunny Hill H. D. club met Thursday, Oct. 13, with Mrs. Carol Bray at the hospitable home of Mrs. J. B. Knox.

An all day meeting was held and a demonstration on canning chicken was given by Mrs. Melvin Miller and Mrs. George Lash.

Our club day has been changed to the first and third Tuesday of each month. However, the other meeting of this month will be held on Thursday, Oct. 27 at the home of Mrs. Melvin Miller. Miss Bass will be with us to lead the lesson on planning a wardrobe.

Interesting things are being planned by our club and all members should attend next time.

Mrs. Goodnight was welcomed into our club as a new member.

A fairly good crowd turned out for P. T. A. Friday night. A good program was given by the school.

Another boost for our school is that the P. T. A. promised to sponsor the expression and music classes which Mrs. Dowling has promised to teach the entire school.

Miss Maude Dawdy and her niece, Willie Mae Babo, of Plainview spent the week end in the Dawdy home here.

Mr. and Mrs. Emmett Russell and children of Panhandle visited relatives in this community Sunday.

FORTENBERRY NABS PASS FOR TOUCHDOWN; SPENCE MAKES SECOND.

Overcoming a newspaper handicap, the Buffaloes invaded the stronghold of the Daniel Baker Hillbillies last Friday night and administered to them a genuine licking to the tune of 12-0.

The game was one tough assignment from the first whistle to the last gun. Several times the Goats pushed the Buffs to their danger zone, but each time lacked the extra drive necessary to score.

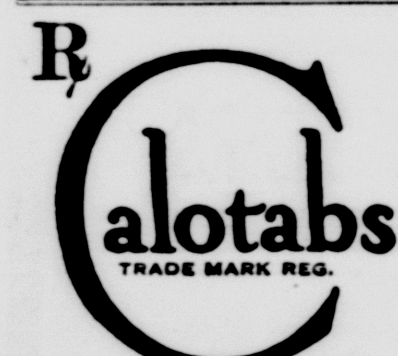

In the second quarter, Joe Fortenberry pulled down a pass for the initial counter of the game, and in the fourth frame of the squabble, Spence knifed the line for the second and last count of the game. The tries for extra points fell by the way and the final score showed the Buffs as having amassed 12 points while blanking the Bakerites.

The duck season opens for the plains on November 1st.

Stanley Talks

(Continued from first page)

must be planned a year in advance to be efficient. Randall county is the background for Canyon merchants, therefore the merchant should know his territory.

The speaker cited interesting information about Randall county showing that the Canyon merchants were not getting the possible spendable income by more than half a million dollars. It is not going into savings, therefore, it must be leaving the county.

Advertising must be based upon social conditions, the kind of homes, schools, churches, etc. in the community. There are still four times as many employed as unemployed persons in this county, who have buying power. The store must be sold to the people.

The media is the vehicle to carry the message. Mr. Stanley stated that he held no brief for any media, but for the store selling to the mass of the community, the newspaper offered the largest number of readers at the lowest per reader cost for the merchant. Direct mail advertising is good, if it ever reaches the customer and is ever read by him. Mimeograph sheets are practically no advertising, and have little value, according to Mr. Stanley. He has no faith in hand bills or circulars. Novelty advertising is of some value if the novelty is of use. Big art calendars are practically useless. Programs, such as are found in college towns, are of doubtful value.

Advertising money is not an expense; it is either an investment, or a total loss. The name of a popular brand of coffee was sold for \$18,500,000 the past year, the exact amount that had been spent in advertising that brand since the firm was established.

Advertising should be based upon last year's volume, ranging from 3 1/2 per cent to 3 per cent, depending upon the commodity. On January first the merchant should know the exact amount he will invest in advertising for the coming year.

Health Factor in Salesmanship
In discussing salesmanship, Mr. Stanley pointed out the fact that the salesman was the key to all business. Salesmen must have mental power, physical well being,

and be well dressed. In discussing physical well being, the speaker named this as one of the greatest factors in connection with business. Yet Texas as a state does not take in proper consideration the health of her people. \$550,000 is appropriated for the work of the Sanitary Livestock Commission, and only \$275,000 for the Public Health department. "Certainly the cattle of Texas are not more important than the people of Texas," was Mr. Stanley's deduction.

Other subjects ably discussed by Mr. Stanley during the two days were: The Advertising Copy, Turn Over, the Pulse of Profit, and What Do People Buy?

In the latter talk, Mr. Stanley urged salesmen to ask two questions regarding every sale: 1. Does the customer need the article? 2. Can he afford it? "We are paying for what we need, whether we get it or not," stated the speaker. "Millions of unemployed people are today paying for the education that they did not get." Installment buying is good, provided it is not carried to extreme, as was the case during the prosperous days.

Advertising Copy

In discussing advertising copy, Mr. Stanley called attention to three things that were always worthwhile to do in preparing an advertisement, as follows: (1) Picture your merchandise, because one picture is worth 10,000 words in conveying an idea. (2) Price your merchandise, if you want to sell it. However, he did not advise comparative pricing, as "was \$3.50, now \$1.59." (3) Describe your merchandise. Let it talk and say what it can do, what it is made of, and what it is good for.

W. T. HEADS HAVE CLASSES IN AMARILLO

EXTENSION WORK BEING CONDUCTED BY SHEFFY AND FRONABARGER.

Much interest, with a corresponding excellent enrollment, has been shown in the extension classes being conducted by the West Texas State Teachers College in Amarillo this term.

Very popular is a course in the History of the Great Plains Region taught by Prof. L. F. Sheffy, head of the History Department, Tuesday afternoons at 4 o'clock. This course is doubly interesting to natives of the Panhandle as it deals with subjects dear to the hearts of all north Texans.

An especially large enrollment is indicated for Dr. B. F. Fronabarger's course in Shakespeare's Comedies meeting each Thursday afternoon at 4 o'clock. Dr. Fronabarger is head of the English Department. Many students of Shakespeare are enrolled in this course and more are expected daily.

All extension classes are being held at the Senior High School building and are open to the public. Classes are not yet closed and those who wish to take either of the courses for college credit may do so provided they have already taken the prerequisite course. Others who are interested may be enrolled as auditors at a special low fee.

In a New Orleans court a man was charged with abusing his team and using loud and profane language. One of the witnesses was an old negro.

"Did the defendant use improper language while he was beating his horses?"

"Well, he talked mighty loud, sah."

"Did he indulge in profanity?"

The witness seemed puzzled, so the lawyer put the question in another form.

"What I mean, Uncle Sam, is did he use words that would be proper for a minister to use in a sermon?"

"Oh, yes, sah," the old man replied, with a grin, "but dey'd have to be 'ranged in different order.'"
